Hits400 - is a paid to promote website.

But, the Hits400 is different of other PTP's websites, this ptp work just for FuteOnline | Home and the rates changes everyday!

? Jingling Accepted? ?

Yes!

- Set traffic to western
- 20% pop-up
- Blank referrer

? Hitleap Accepted? ?

No, traffic exchanges/PTP/blogger/etc are not allowed!

? What is the payout rates? ?

The rates changes everyday, but you can see the rates of today here.

? When am I paid? ?

You should be paid at the start of the month if you have 5,00\$ or more!

(Sometimes we pay weekly!)

? Why should I join? ?

- Fast Payments;
- 20% of Referrals earnings;
- PayPal Supported (Soon we gonna work with Payza);
- Active support (Portuguese or English)
- No interstitial ads or waiting;
- Real-time statistics;
- Rates changes everyday;
