It looks really good Lani, one question. Will you be updating more payments? Like a lifetime deal? Just wondering.

Most likely not. We do not like to offer so called lifetime services. You pay for what you use.

Try out the free trial and see for yourselves.
This is definitely a great product.

IceLink - March 6, 2014, 5:44 pm

We have increased security by adding TLS HMAC for additional encryption.
With our VPN you can be sure no logs are kept, by us, nor the datacenter and the security is set to the highest standards.
