Thread: [\[Denied\] Suggestion - Report PM's](#)

-Dartz - May 8, 2010, 9:01 pm

As we know, most rep abuse happens through PM's, so why not have the ability to report PM's?

This save times for the staff by checking their PM's, and the user doesn't have to take pictures and everything. It's just a quicker way to report rule breakers.

Sounds like a good idea. Lets see what Omni has to say.

Not possible, wont happen.

It's possible. Not going to code it though and certainly wouldn't implement this even if it was part of MyBB.
