Thread: [Hacker Gym - A gym where hackers go to](#)

anarchistcook - March 7, 2014, 12:36 pm

do you think this is a good business idea??

clark.dll - March 7, 2014, 12:37 pm

What? This is a terrible idea, this is a terrible thread. What a random idea.

Vittorio - March 7, 2014, 12:37 pm

Wtf, so a place that welcomes all illegal stuff, great idea.

Cochau - March 7, 2014, 12:37 pm

Nope, it would be full of geeky nerds that type at 100 words per minute

wellager - March 7, 2014, 12:37 pm

No, it's stupid. No "hacker" would go to a gym since they could get arrested, only skids would go there and not a lot.

Worst idea ever.

Darkwin - March 7, 2014, 12:38 pm

Terrible, Maybe a gym with laptops on the treadmills and/or xbox on the elliptical machine etc. but for 'strictly' hackers seems lame.

Poutine - March 7, 2014, 12:38 pm

And only fat fucks will go there. I dont really think they will move out of their chair.

Vittorio - March 7, 2014, 12:39 pm

You should just call it diabetes gym

Sasaki Haise - March 7, 2014, 12:39 pm

Hackers...? Going to a gym? That's new lol.

Jk, what's the point of doing so, that's rounding up a bunch of people who's down to do non-white hat stuff together. People can just take college classes lol.

RelationShit - March 7, 2014, 12:40 pm

Biggest plot twist of the year: Your school's gym/sports teacher is a big hacker known for taking down a lot of important servers.

jaisyxxx - March 7, 2014, 12:41 pm

dafuq did i just read? a gym where hackers go facepalm

?BLacKiCetf2™ - March 7, 2014, 12:41 pm

Hackers don't go to gym they stay all day sitting on the computer chair.

Maybe getting a CyberCafe for hackers and buy a Router VPN that is connected to a offshore server that doesn't log the network.

badvibes - March 7, 2014, 12:41 pm

well a ton of unfit people could go here and not be embarrassed.
have fun having no customers :D

D?ath - March 7, 2014, 12:42 pm

I like how its creative. Some people get told how some things are ridiculous and dumb, and yet they prove to the world that they are worthy of success. I personally think that this idea wouldnt attract many buyers, but a "Gaming Gym" would be a great idea. Go forth and do it! You have my vote.

Zapu - March 7, 2014, 12:44 pm

theyd heck the equipment to do the lifting for them

?gent - March 7, 2014, 12:44 pm

You know what! Your gay af! Piss off skiddy skid

Hm, now that does sound like a good idea.

~Jay~ - March 7, 2014, 1:28 pm

You're implying that anyone on this site exercises.

ShallWeHackThat - March 7, 2014, 1:35 pm

your probable trolling. Or, You must be really stupid and brain damaged.

Loser Douche Bag #35 - March 7, 2014, 1:37 pm

A gym like that would be a horrible idea...but let's say HF was sort of like a gym you know? Everyone on this site would be in that gym. It'd be filled with 13 year old scrawny 100 pound kids ?

Pray - March 7, 2014, 1:38 pm

Sure! Have a bunch of 11 year olds come in and sell them virtual access to stresses and RATs to make some money on the side. Good shit, OP, you're going to be rolling in money soon enough.

#BORNE - March 7, 2014, 1:38 pm

How the hell did you come up with an idea like that?

???- ?Z -??? - March 7, 2014, 1:42 pm

Why kind of stupid idea is that? That cringe, and you should already know that people on HF don't workout.

Plernatious - March 7, 2014, 1:45 pm

What the fuck is this shit...?

Jamie Foxx - March 7, 2014, 2:17 pm

Erhmahgerd best idea EVER!

Also, it could have like.. a Blockbuster in the basement that only carries Hackers on VHS!

Duyere - March 7, 2014, 2:18 pm

OP, are you fucking high?

That is by far the WORST IDEA I have heard all day!!

Shanks - March 7, 2014, 2:19 pm

Most stupid shit I have ever Heard..

-Shanks

Lil W?yne - March 7, 2014, 2:19 pm

why would hackers want to work out? they probably have a lot of other things to worry about then if they are in shape or not lol.

Ulysses S Grant™ - March 7, 2014, 2:19 pm

Great idea i feel like a fed would own the business .

KK123 - March 7, 2014, 2:22 pm

I didn't even want to respond to this since it's the most terrible idea ever.

(????)? ? josh ? - March 7, 2014, 2:41 pm

Hackers don't go to the gym... Their workouts consist of jerking off and typing, with occasional walks to the pantry for food.

eightworks - March 7, 2014, 2:43 pm

Well if you open it the only people that will come is little 12 year old that boot people off Xbox and think their hackers. The real hackers know not to get their nose caught in something that looks like a honey pot

Saklitunov - March 7, 2014, 2:50 pm

Wtf, so a place that welcomes all illegal stuff, great idea.

anonymous233 - March 7, 2014, 2:50 pm

Vouch for that idea!

If you need any partner or helper in this great project just PM me dude!

Best lucks with it!

:blackhead:

Slim Shady. - March 7, 2014, 2:52 pm

Are you going to check and see if they are a hacker? Give them a quiz? Maybe like Darkwin said with some laptops and XBOX's but I'm not sure what you mean by "hacker gym"

The Judge - March 7, 2014, 2:54 pm

I think OP ment like a forum where beginner hackers are getting trained to become pro hackers idk though

badvibes - March 7, 2014, 3:13 pm

(Mar 7, 2014 04:10 PM)Partyanimal Wrote: [\[CITE\]](#) lol what the fuck is this thread?

a hacker gym ?we should have a pokemon gym where every pokemon nerd comes with a pokemon stuffed animal and fights other people.

^

Qwazz - March 7, 2014, 3:16 pm

A better idea would be a gaming center with a gym attached.
"Gain & Game"

T?a?lent ? - March 7, 2014, 3:18 pm

(Mar 7, 2014 01:36 PM)pirates Wrote: [\[CITE\]](#) do you think this is a good business idea??Not in the slightest. Unless you got all the members of HF in one city, no one would go there.

A gym where you work out while playing games would work out better.

Flaxpicker - March 7, 2014, 3:21 pm

The hacker gym will soon turn into a cop gym

Not a good idea

V Damage V - March 7, 2014, 5:55 pm

Why don't you just go to a regular fucking gym. Anybody can get in there, even big bad hackers. You fucking idiot this is the worst thread I ever seen

Tokyo - March 7, 2014, 5:57 pm

So the hackers would do pull-ups, push-ups, and curl-ups? Just kidding OP but this is a bad idea.

Restrict - March 7, 2014, 6:00 pm

What the fuck do you do at a hacker gym? Stretch your fucking fingers until they bleed?

Bollywood - March 7, 2014, 6:11 pm

LOL just imagine.. people wearing anonymous mask, lifting weight :D That would be epic :P Thanks for sharing this Idea.. I am gonna wear anonymous mask at my gym to see how people react :D

Mopex - March 7, 2014, 6:12 pm
