Dude you should just come to me whenever you need an exchange.

We've exchanged before and I can promise you'll never be scammed when you deal with me.

I knew he was about to go on a bitcoin scamming spree. He's posted in practically every exchange/buying thread going.

Quick Edit : He updated his username :
B3EZY

Please take care !

Hey guys !

I have just noticed that he has updated his username again :
YoungRichNigga

The scam report is still unsolved so please take care
