I will be hosting this in about an hour.

If any lower level players want to rank up quick, leave you GT in the comments and I will send you an invite when I get on.

How much RP does it give you? Because I've been hearing about Rooftop Rumble giving you allot of RP.. I'm actually trying to grind for a few hours till I get to level 75 to unlock this mission..

With 4 people, it's usually 4000+ 35 characters ?

Doing the race Lost and Found on Solo gives you that much..

Noob4real - March 8, 2014, 11:07 am

Ummm, OK.

By all means do that. I'm just putting this out there for some that want to do it, easy 4000rp + \$18750

Personally, I can't grind races
