Thanks for all the feedback guys, glad you all appreciate the ebook!

SIM-2059193 - March 9, 2014, 9:53 am

We have updated the ebook with 2 more methods.
Now is the time to buy!

Dangero - March 9, 2014, 9:55 am

Vouch for the legendary and HQ sannin GLWS

Sudsy - March 9, 2014, 10:58 am

I just finished and I have to say, it's rather impressive. I really can tell you put forth genuine effort into this eBook. It's legit and it makes starting a Minecraft server ten times easier with this. If anyone is trying to start a server but doesn't know the first thing, they should purchase this. It's well worth it. 9.5/10

Thanks for the review! Will add to OP soon!

SIM-2059193 - March 9, 2014, 1:57 pm

First copy has been sold.
GL to whoever did

Expel?™ - March 9, 2014, 5:13 pm

So this method is just about having a Minecraft server and a few methods on how to monetize it? It's basically common knowledge I'm guessing?

Just saw that off Sudsy's review.

GLWS.

SIM-2059193 - March 9, 2014, 5:18 pm

(Mar 9, 2014 05:13 PM)Fullscreen Wrote: [\[CITE\]](#) So this method is just about having a Minecraft server and a few methods on how to monetize it? It's basically common knowledge I'm guessing?

Just saw that off Sudsy's review.

GLWS.

Its not just about having a server. Its how to monetize control and play minecraft in general to make money.

The methods in the book are known to little and are certainly not uncommon knowledge.

The price of the ebook is higher then all the others because it excels in the quality the marketplace has proven with its content.

Orochimaru - March 9, 2014, 8:27 pm

Ebook has been updated, optimized and ready for sales!

randomuser111 - March 9, 2014, 10:31 pm

Payment proofs ? Also does this work only for US residents ?

?u??? Code - December 14, 2014, 8:05 am

On the pricing section, you've listed Iron, Gold and Diamond packages but on the line directly below you say "If you are interested in purchasing Silver or Gold packages", but Silver isn't listed so I'm guessing it's just a typo. Plus, on the Diamond package it's free 24/7 support, not fre. GLWS man this looks quite interesting seeing it is the only minecraft e-book around.

Orochimaru - December 14, 2014, 9:43 am
