Thread: [Hey Omni. I want SRPP back...](#)

MK Ultra - March 9, 2014, 1:12 pm

Yo I may be annoying. I may be a nonmember. But SRPP is the only place where I can open my self up. And I dont want to pay for your website yet.

Upgrade and you'll get your wish, it was a good addition to the site.

5. Regular Member Features. If a feature is only for l33t/ub3r it's not going to be handed down to regular members who did not pay for the feature. Any new features of the site will almost always be for upgraded accounts.

I doubt Omniscient will see your thread, can you explain why you made this threD? SRPP?

Yeah, but if you extended this thread and gave it as Feedback instead of a suggestion it would be fine (in my opinion).

I do not support this request. I've been in SRPP and seen very little conversation of sustenance; it's almost always trolls and idiots. If not allowing non-upgraded members to use it makes it better, then I support that change full-heartedly.

wellager - March 9, 2014, 1:22 pm

Sure, let's change the rules because you want to post on the SRPP.
You can go on WizardForums.

No. You can be upgraded and retarded in the same time. I want to speak my mind without payment.

The SRPP is clogged with shit and you're one of them.

If you want to go cry about killing jews then do it somewhere else.

Correct, but no one is going to pay twenty dollars every-time they get their account closed just so they can continue to troll in different sections.

Unless they're retarded.
