Backpack-Rucksack - March 10, 2014, 7:37 am

Link not working, could you please update

ada? - March 10, 2014, 7:43 am

Damn man do you want to buy mine? I got around 100 of exactly those accounts. You could buy them off me for \$5 and then resell here on hf for \$10 per acc. ?

I update it ... you can now see photo ...

Maradonnie - March 10, 2014, 7:53 am

I got lost coast for free and thought it was free?

HAX ME IM FAMOUS - March 10, 2014, 7:55 am

I'll be interested in a half life 2 account, hit me up with your price.

No, i dont give it for for that number :D ... this is only on steam site price.

Tyler? - March 10, 2014, 8:08 am

This isn't worth much to be honest.

These were free to tons of people with an ATI video card. Half life 2 is the one that'll get you a bit.

At least it's source and gets some good mods. :)

KOOMZ - *March 10, 2014, 8:45 am*

Just saying I bought 5 of those accounts for like \$1.
