Stoke - March 12, 2014, 1:05 pm

Hello.

I am looking to be more active in the gaming section of Hack Forums.

I will be giving away 20 furniture or coins to HQ members that I believe deserve it.

Thanks.

Stoke.

If you're upgraded, you're eligible.

If you've posted more than 300 times, you're eligible.

If you have negative rep, it's 50/50, PM me and I'll let you know.

If I feel you have actually given back to the community, I'll hook you up.

PM me. Don't post.
