Very, very nice tutorial mate. Thumbs up!

Agitator - March 14, 2014, 10:09 pm

Definitely an above average smudging tutorial, was planning on making one soon as well.

hackersallin - March 15, 2014, 9:40 am

Nice tutorial bro! Loved it! It is very detailed and easy to understand :D

Eeluminati - March 17, 2014, 7:05 am

Nice tutorial, will bookmark this in case I get time to give it a go.

Thanks, appreciate it. good luck I guess :p

Tjockisen - March 17, 2014, 12:22 pm

Very nice tutorial i will try this in the next render sign i make.

Homesick - March 18, 2014, 1:23 pm

Great tutorial, now I am going to learn to smudge, I have wanted to for a while, but never bothered.

Eeluminati - April 5, 2014, 7:11 am

What's a good and cheap smudging tablet you'd recommend?

hotcococharlie - April 8, 2014, 2:27 pm

Get a Bamboo tablet, they are not exact ally cheap but they are totally worth every cent.
