Hey guys; all the games are gone for now. Stay tuned for future giveaways! Don't thank me for giving these away, but I'd rather thank you, the community for making Hack Forums what it is today and providing a safe zone for me to come back to day after day and feel welcomed. It means a lot to me.

Hey guys; I gave Respawn the first pick at these games and here's what's left.

Regardless of upgraded status; each member can pick one steam game until I run out to make sure everyone has a fair chance of getting one. Simply post here or PM me and I will PM you with your key. Once a game has been taken, I will cross it off the list.

The Games Are as Follow:

Stealth Bastard Deluxe

Port Royale 3

King's Bounty: Legions True Tactician Ultimate Pack

Iron Sky: Invasion

Steel Storm: Complete Edition

Earth 2150 Trilogy

Thief Gold

Day One: Garry's Incident

Naval Warfare

Dungeonbowl

Tropico 4 Steam Special Edition

Good luck to all who wish to get a free steam game. :Smile:
