Thread: [hey am i allowed to sell this?](#)

Chuck Finley - March 18, 2014, 7:24 pm

new here and all tried to read the tos but not sure if i saw this anywhere but would it be fine to sell a en se' ebook on how to get any single item off a website and double your money bak and keep the item?

I am pretty sure you can sell this in the eBooks section. Here is a link to the section: [Ebook Bazaar](#)

Juice WRLD - March 18, 2014, 7:28 pm

Well, first of all.. you can't sell ANYTHING with no positive rep..

Mr. WAVES - March 18, 2014, 7:29 pm

I don't think you're allowed. It sounds like black-hat activity and fraud.

Chuck Finley - March 18, 2014, 7:29 pm

oh shit, i need to rep to start selling stuff on here?

Hidden™ - March 18, 2014, 7:30 pm

I thought anything SE related was not allowed anymore.

Trust - March 18, 2014, 7:31 pm

You're allowed to sell eBooks, but Social Engineering discussion falls in the category of Disallowed Blackhat Activity, so I'd say no.

Mr Fatal IV - March 18, 2014, 7:31 pm

ummm yeah i dont think you are allowed to do that!

Chuck Finley - March 18, 2014, 7:34 pm

wait so is it yes or nay whos like in charge of decideding that or what

Nonon Jakuzure - March 18, 2014, 7:34 pm

SE is disallowed so no you cannot sell an eBook about that.

Chuck Finley - March 18, 2014, 7:36 pm

oh then i guess it will be just another monteizing book na mean

clark.dll - March 18, 2014, 8:01 pm

Social engineering is not allowed on HF, therefore you could not sell this ebook.
