LOL, you can't withdraw after you win. You just wasted the money you scammed for and then didn't pay me. GG excuses ?

GG Care. jesus quit being all mad about it and go sell some ebooks sounds like a good business for yourself

To be honest this was a big waste of time especially if Deinax has told you he wanted to withdraw his bid, people have a life and other things to do sometimes you get time wasters nothing more, nothing less

Deinax told you he wanted to withdraw his bid and that'd his decision. This is a LQ scam report vouch for Deinax.

Invalid scam report so whoever thinks I scam, this isn't a valid report.

Dulio - October 2, 2014, 3:27 pm

Just trying to prove I am not a scammer so why should you grave dig some more as well?
