To be honest, I'm not sure, but i have added 2 extra sources of traffic, so this will be a very very high rate.

Sales are open ?

Its over 15% easy, is 15% meant to be the average mark?

I have seen many IE sellers here on Hack Forums and the buyers gets around 8% on them. About 10% is the procent that most people gets.

I will definitely buy a lot from you and recommend you to all my customers (for my traffic shop) if they want some cheap Internet Explorer traffic since I dont sell it myself.

Ohh sorry, I only sell traffic, but you can use it for EK ?

Gitty Brothers - March 29, 2014, 7:43 am

If you have a customer with an exploit kit that can post their rates with your traffic, I'll consider purchasing. Anyway, good luck with sales.

Apocaliptique - March 29, 2014, 7:58 am

Nice shop, interesting prices, Good luck with sales !

Dum De Dum - March 30, 2014, 5:33 pm

Sales are open again, fixed a few minor issues.

?ain - April 7, 2014, 12:39 pm

Is this available still? I may need some.
