Thread: [Why my videos unrank before they get ranked ?](#)

?Marketer - March 24, 2014, 5:35 am

So i'm tryin rank my vids with HR views but before they even get ranked they get unranked for somereason and no im not using instarank... What could cause this ?

BaldHitman - March 24, 2014, 9:02 am

Well, i'm not sure but you should try to check on your video with CTRL SHIFT N in icognito mode it doesnt use cookies so you can see if your video is actually ranked yes/no.

Long live Google! When you get tired of flaggers, join our side. The grass is greener here.
