Can you list some example prices and plugins, and can you explain a little more for what you would actually do with a template instead of a theme?

I wasn't taking any requests as I was busy, but the service is back up again now.

Isildur - December 30, 2017, 4:43 am

I am back in business. Send me your requests!

CKkio23 - December 31, 2017, 12:08 pm

Sent you a PM. Hope we can work this out.

RedDevil01 - January 3, 2018, 4:18 pm

Wow! Some great looking work here man. Wish you had this back when I was running a forum a few years back. Good luck with sales.

NotAPC - January 12, 2018, 11:28 am

Can't wait to see the new theme! Paid 50% upfront in BTC and have used him before.

steveseos - January 25, 2018, 6:58 am

Are you still offering these services ?

Gpizzle - February 3, 2018, 9:57 pm

I may be interested in your psd to html templates. are they all responsive?
