Thread: [\[FREE\] WarpBrothers Crypter 1.0 - ST & RT \[UPDATED WEEKLY\]](#)

WarpBrothers - March 27, 2014, 6:36 am

Hello HF,

Today I'm releasing my first ever crypter coded in .NET. The GUI is not eye sex but I'm sure the Crypter will do it's job. This crypter is RUNTIME and SCANTIME. If anyone has any ideas on what I can add to this crypter then please feel free to PM or post a comment on my thread.

TESTED ON:

- Cybergate
- DarkComet (All Versions)
- Blackshades
- Istealer

I would like to try this out, could you pm me it?

Devarity - March 27, 2014, 2:33 pm

Before you PM WarpBrothers, keep in mind that You must do a survey to be able to use the Crypter.

Also, Keep in mind that the Crypter hasn't been tested for Backdoors yet.

Before you called me 'Sad' I was going to PM you the password as I've uploaded the wrong one. I've PM everyone back with the new link and password. So before opening your mouth and adding me to your ignore list I suggest you wait for a reply.

You total bellend.

Whammy - March 27, 2014, 3:23 pm

Hey man, this would be much appreciated! I don't have enough posts to PM yet, but I do have positive rep! Just not a big poster.

Please send the link! Thanks in advance!

hi..i would like to try this could you send me the password..thanks..it really helps a lot..

JakeFromStateFarm - March 27, 2014, 9:21 pm

PM'ing you now about this. looks great.

jonx - March 27, 2014, 9:29 pm

Can you test if this works with njrat?

JakeFromStateFarm - March 27, 2014, 9:50 pm

Actually just pm me the link. Thanks in advance.

I got lazy and I don't feel like pm'ing right now :P

(Mar 27, 2014 09:29 PM)jonx Wrote: [\[CITE\]](#) Can you test if this works with njrat?

I would but njRAT confuses my routers. It makes it act like it's using another port.

LyPoZ - March 28, 2014, 3:05 am

Would love to have this. PMing you as we speak! :)

WarpBrothers - March 28, 2014, 4:39 am

You total bellend.

I also suggest that you don't send survey links to begin with. I didn't open my mouth, I moved my fingers.

Calling somebody names doesn't make you look cool or mature.

I only ignore list people that I find to be a Germ to this forum.

Good Luck.

andreivasile3 - March 28, 2014, 9:11 am

I would love this. Can you PM me with the download please?

Austad - March 28, 2014, 11:26 am

anonymoosehax - March 31, 2014, 10:00 am

I want to try out this crypter! Looks pretty nice.

Devarity - March 31, 2014, 11:05 am

WarpBrothers, I am afraid, Has a slight touch of the downs.

It's in his name, His mind is warped.

koed12 - March 31, 2014, 12:20 pm

Can you send me the link to download your program?

I cant send you pm due to <25 posts.

Thanks.

Devarity in my ignore list, I no longer have to put up with your shitty posts.

Thanks a lot

please send me crypte

thankyou for this

However you can find a time to reply Devarity, but dont have time to reply us, am i right? i know you can be very busy but still i'm waiting more than 3 days for your direct dl link without shitcash and sites like that, if you will not send it to me or others just tell me that.

Hey, I can't PM you because I got all my posts reset. May I use it please?

All PM sent, REFUD today! 31.03.2014, Currently adding login security.

Hi, would like to get it!

Thanks in advance, Pming you now.

Can u Send For Me The Link Please :)

That would be pretty sick if you could pm me the link. I know i'm not a l33t or ub3r but I would still really appreciate it :)

it is not working it is fake or infected with a Trojan i try it!!!

It doesn't work, buttons, browsing for file, etc etc.

but it's obviously not infected.

Is this just some fake program that allows you to get money from the surveys?

survey money fake
