King Cin - March 27, 2014, 2:26 pm

EnvyUS will probably win. I lost faith in OpTic.

Morchid - March 27, 2014, 2:29 pm

I don't know why but I see Faze or TK taking it, maybe Epsilon.

Kakashi Hatak? - March 27, 2014, 7:19 pm

My predictions the top 3 teams will be

tK

CoL

sB

?Stitch - March 27, 2014, 8:56 pm

I have to stick with my favorite team I have faith ? coL

- If not coL then tK

Kakashi Hatak? - March 27, 2014, 9:34 pm

Here is the trophy and these amazing rings.

Bezo - March 28, 2014, 7:10 am

My predictions will be that sB will end up beating coL again somewhere down in the bracket play.

My Top 4 are: 1. EnvyUs 2. TK 3. SB 4. coL

TwiizuhL - March 28, 2014, 9:29 am

im Thinking sB or FaZe, FaZe is doing great this year, of course sB Winning Qualifiers, makes them a top Team, but those are the to I think are winning

Darkldrago108 - March 28, 2014, 9:53 am

I still have some faith in OpTic but coL is looking pretty strong this year.

That still does not remove the fact that nV could end up in the finals.

Kakashi Hatak? - March 28, 2014, 10:17 am

sB just lost SnD 6-4 to Vitality SnD wins Championships lol.

Can anybody tell me when OpTic will be playing? (UTC -4:00)

Jaxon - March 28, 2014, 11:20 am

Too bad ghosts is horrible competitively.

I have to say I stand behind envy on this though

Darkldrago108 - March 28, 2014, 12:03 pm

FaZe lost also both nV and FaZe are on the brink of getting eliminated.

Dood - March 28, 2014, 3:38 pm

JKap just got a 2 man clutch. FaZe beats SK 6-4 on SnD, pretty sure they have a good chance of moving up now.

Bezo - March 28, 2014, 3:45 pm

Damn, FaZe just clutched the fuck up! I thought I was going to see another upset :D

EDIT: Damn, 1337 Post :D

Kakashi Hatak? - March 28, 2014, 3:52 pm

FaZe has the team from Mexico next shouldn't be hard for them.

nV vs TEC.Intensity must win for nV.

Envy just 6-0'd TEC on Octane SnD. I really wanted to see a round 11.

KingOfSleeping - March 28, 2014, 5:53 pm

Faze lost a match I want the to win though

Night - March 28, 2014, 6:23 pm

I want to see one of the teams that are not from US, to go to finals would be interesting.

RaddleZ - March 28, 2014, 6:41 pm

I want to see one of my fellow Aussie teams win, not like it'll ever happen though :(

Complexity will probably win though, as they usually do.

Bezo - March 28, 2014, 6:53 pm

3 Way tie between Envy, Immunity, and TEC! This is going to be epic!

Kakashi Hatak? - March 28, 2014, 7:50 pm

nV advances after a 6-5 SnD win tiebreaker against TEC.Intensity.

Dood - March 28, 2014, 9:36 pm

I'm a bit confused, is it only the team that's number 1 in the brackets that goes up? Or is it the top 2 teams in there?

Top 2. 1st in each group play gets a seed from 1-8. 2nd in each group gets 9-16.

Darkldrago108 - March 28, 2014, 9:48 pm

I would like to see for the finals:

coL v.s nV
or
coL v.s OpTic
or
Optic v.s nV

And so far, these teams have gotten out of bracket pool play.

Strictly Business (US), Vitality Returns (FR), compLexity (US), VexX Revenge (CA), Team Kaliber (US), WiLD Gaming (CA), Trident T1dotters (AUS), FaZe (US), Rise Nation (US), OpTic Gaming (US), and Epsilon eSports (UK).

So after the pool play, does it go to double elimination or single elimination?

Mt Eden - March 29, 2014, 9:26 am

As long as a NA team dont win im happy lol.

Epsilon to destroy Optic hopefully.

OpTic is up 2-0 so far against tK.

I'm rooting for Epsilon eSports, Trident T1dotters, and OpTic to win. The first two are because they're not from the US, and it would be an interesting upset if they won. OpTic because, you know, #GreenWall...

No but seriously, OpTic can definitely win. They have the skill, and they have the hype.

Firex1 - March 29, 2014, 11:34 am

Impressed at the quality of this thread. I am surprised to see Optic doing so well against TK. I am hoping for a NA team to win, but my team is CurseLV, so I just watch.

Surprised Optic won that. They looked so beaten against Epsilon but came back well against TK.

Not sure why they dropped neslo , TK look better with him.

I think the reason that OpTic are so surprisingly strong this event is because they've begun to spend less time and focus streaming, and more time actually practicing now.

Epsilon eSports is an incredibly strong team, they definitely demonstrates that at Gfinity. Not surprised that OpTic lost. I would bet that OpTic is hoping that Epsilon is playing coL and lose early on, lol.

sB beat nV 3-1. I can't wait to see tK vs. nV later today, should be a good match.

CoL just came back so hard on that sovereign domination game. That was highly impressive, especially on TeePee's end going 18-9.

Kakashi Hatak? - March 30, 2014, 11:45 am

Let's go CoL is in the grand finals they turned up 6-0 les GO!!!

The question is can OpTic beat either sB or nV it all depends who advances.

Twinked - March 30, 2014, 11:46 am

Crimsix going in 11-0 on snd. There we go CoL.

HeisenbergSM - March 30, 2014, 11:48 am

I hope CoL will win the championship because they are the best players and deserve to win. Optic can win at entertainment and CoL can win tournaments.

Habit - March 30, 2014, 11:50 am

CoL just secured there spot in the finals, Crim and TeePee turning up in S&D game 5 when it really matters.

Twinked - March 30, 2014, 11:52 am

So can optic play against CoL again, or they can't compete for the the \$1m?

Kakashi Hatak? - March 30, 2014, 11:52 am

coL now advances to the grand finals.

OpTic now waits in the loser bracket for the winner of nV vs sB.

Morchid - March 30, 2014, 11:57 am

I think Optic is going to play nV in the loser finals. Really want to see Optic win and get revenge on coL.

The match of century the rivalry OpTic vs nV

Morchid - March 30, 2014, 1:33 pm

Currently tied 1-1 between OpTic and nV in the loser bracket finals. OpTic won the dom, nV won the SnD. Blitz starting soon.

Hellsing - March 30, 2014, 1:36 pm

Well, I think OpTic will beat nV, CoL wil only beat OpTic due to map count.

Kakashi Hatak? - March 30, 2014, 1:59 pm

nV is up 2-1 in the series dang I wanna see nV vs coL.

Habit - March 30, 2014, 2:06 pm

Habit - March 30, 2014, 2:25 pm

This is the best event in CoD e-sports so many good matches and upsets. I really hope nV wins in the finals they deserve a championship.

Mark Zuckerberg - March 30, 2014, 2:36 pm

Not going to lie, I really wanted optic to make the finals, I really don't like nV. I don't want coL or nV to win, reason being I think coL just wins to many tournaments lmao, and I don't like nV. Let's see how this goes!

Kakashi Hatak? - March 30, 2014, 3:00 pm

Here we go guys \$400,000 on the line coL vs nV.

Darkldrago108 - March 30, 2014, 3:01 pm

Dang that nV v.s OpTic game was more intense than the coL v.s OpTic!

I've always been a fan of nV & OpTic, really enjoyed that game.

Hoping nV takes the champs! They're very under-rated.

TwiizuhL - March 30, 2014, 3:05 pm

I want nV to win, but coL most likely gonna win

Wheezy Gang - March 30, 2014, 3:11 pm

Karma back to back champion.

Untold - March 30, 2014, 4:41 pm

Feel so bad for nV, they've been there two times in a row and couldn't pull through. At least Karma has back to back World Championships though. Congrats to them.

Just a shame Merk is an cocky F**k, I'm glad they didn't win. The way Merk has treated his and spoken about his past teams is a disgrace to the E Sports community, sorry if this feels like a rant but I need to get it off my chest!

I know right i'm really not surprised why FaZe got in 6th place since they only have a little GB team.
