@Darkwin, first of i didnt rip anything and where am I taking credit? I clearly state "this is not my list" the list was giving to me.

I'm trying to share the rooms with everyone instead of seeing a new thread every day asking for a chatroom list.

*eWhore.pro BEEN shut down! I was a solid member over there and I thought you sold it....

*Pay Your Bills and it would be still up and running LMAO

useless list maybe only 3 decent ones

? [\$(1000)\$] ? - April 6, 2014, 6:39 am

Actually firstmoneymind, if you knew how to eWhore you could make plenty of money just off the 3 rooms.

You COULD finally have money OFF your mind and in your pocket.

Ungrateful little fuck!

mwhahahahhahaahhahaa

Legion - April 6, 2014, 6:46 am

What can I say?

Thanks BM-King....

I've eWhored in the past, been highly unsuccessful and never made anything, used ONE website on this list and went from making \$0 to making \$35 (£21) in one week!!! (not all of it was eWhoring - maybe 4 days total?)

Thanks!!!!

EDIT: 100 POSTS \o/

BlueCondom - April 6, 2014, 6:55 am

add www.boochat.com

it is the one, that i use if i dont want to use skype :D

and i have many more other than these being listed ?

as a indian, i know where to find chicks as well as boys to hunt down ?

? [\$(1000)\$] ? - April 6, 2014, 7:24 am

Thank you ankitsharma1996 for you donation to the list

SIM-1935527 - April 6, 2014, 7:27 am

Nice list bro! Thanks for the share! <3

ChingChang - April 6, 2014, 7:29 am

Most of these sites are shit, instead of putting tons, let us know which ones are good instead of putting chats with 20 people in and are all Indians.

? [\$(1000)\$] ? - April 6, 2014, 8:26 am

I'm not gonna remove any of the sites, these are ALL GREAT sites, it might not work for you, but i can turn a site with all 20 Indians into money!

Rupees aren't worth much but money is money

The best sites in my eyes are

Chat-Avenue.com

Babblesex.com

Teen-chat.org

Kidschat.net

It all depends what type of eWhoring you are doing I starting to see alot of people with eWhoring sites so a HUGE list of chatrooms is great for them to advertise.

Runescape feel free to go through ALL the chats and respond with the ones you think aren't shit, I would be glad to put it on the thread!

Updated April 6, 2014.

Thank you everyone for the new chat rooms

@Darkwin, first of i didnt rip anything and where am I taking credit? I clearly state "this is not my list" the list was giving to me.

I'm trying to share the rooms with everyone instead of seeing a new thread every day asking for a chatroom list.

*eWhore.pro BEEN shut down! I was a solid member over there and I thought you sold it....

*Pay Your Bills and it would be still up and running LMAO

Not to be rude, but the site is up. Just saying this if you want to get back on.

TheBlackPoison - June 25, 2014, 9:00 am

Thanks a lot for this, i'm sure it will reduce the amount of ewhoring threads created
