Thread: [Help with PAYPAL Hide Transactions or delete !!!](#)

razer11 - March 29, 2014, 11:07 am

Does anyone know if there is a way to hide your paypal history transactions or maybe delete them? when you send money from one account to another payal account, how can you hide or delete it then? ?

Why don't you act like a good boyfriend and not buy porn with your girlfriend's money?

Select the transaction and hit "Archive".
Moves it away from recent activity.

How about you;
Change the password
Not lie to your girlfriend
