You're going to get a lot of Titanfall and Battlefield 4 questions regarding expansions and digital deluxe editions.

Better create an FAQ. ?

Good luck with sales! I might get Titanfall of you.

**National Security Agency** - March 30, 2014, 7:46 pm

Does that mean you'll be able to get me Watch Dogs whenever it comes out for \$10?

**anoperson** - March 30, 2014, 8:15 pm

I second this question. The game looks uber legit.

**sigmaphi** - March 30, 2014, 11:33 pm

pay more for DELUXE when all you do does not involve you investing any money ? it should be be 5\$ at least not 10\$. so if i wanted 10\$ season pass which i can get on Origin Mexico method , why should i pay you 10\$ , pls check your price again , it should be fixed

**Dot.** - March 31, 2014, 12:07 am

So basically, BF4 Premium edition would be \$20, right?

**K\_Den** - March 31, 2014, 12:10 am

Vouch for ~HF~, Keeps his words and is legit. Good luck with your sales! :)

**~HF~** - March 31, 2014, 12:44 am

Yes you can get any game for \$10 once there out and deluxe editions cost \$10 extra because I do the exact same method to get the season time and it takes me the same amount of time you can buy a season pass yourself if you want I'm saving you loads of money I don see why I should change my prices.

**sigmaphi** - March 31, 2014, 12:47 am

Ok for season pass i would understand

But for games like BF3 or BF4 Premium Edition you are not spending any extra time ! its one Cd key !

With my method most deluxe games require me to do the method twice as I can't do both in 1 go.

**anoperson** - March 31, 2014, 1:17 am

I just sent off one of my accounts. (I never made the 2nd account) and will update when done. Everything so far seems legit. ~HF~ always replies to my messages within minutes. Really good communication.

Sorry very high demand and it's hard to keep up with orders and it's not worth it for \$10 as it takes a long time so I upped the price.

Quick question about this let's say I want to buy a game do I have to log in to another persons account to access this game or do I get a key to install? Same question about season passes etc? Will I get my main account(if i choose to) banned?

Ok so I will need our account to log into to get the game onto your account.

If you want a season pass you already need the game on your account.

Only 1 game or season pass per account.

**Pik?chu** - April 3, 2014, 2:55 pm

I assume you're SEing Origin support for a copy of the game correct?
