Big vouch for Alcaline. He definitely knows what he's doing, don't hesitate to purchase.

Cubex-Software - April 3, 2014, 12:40 pm

Thank you Dignus. Appreciate:) Have a nice day.

NetworkDrop - April 3, 2014, 1:11 pm

Good luck with sale.

Exclusivity should sell well.

EvanLB7 - April 3, 2014, 1:28 pm

This looks really good, good job! Hopefully most programs on the market will use this now, Net Seal gets broke to easy.

Is not realy too much for a lifetime license...and not to much people has a Autoit Licensing system

...

But thank you:)

Thank you too:)

Net seal is only for .NET applications.

And this is only for Autoit Applications.

But mabye in the future i will support for .NET too.

Goodluck with sales

Personally I like the gui

looks great

Cubex-Software - April 3, 2014, 3:29 pm

Thank you:) I hope it wil be a succes. :D

splantoon - April 4, 2014, 2:05 am

Big vouch for this product. alkaline is a reliable seller. I tested it myself, it's working flawlessly

Cubex-Software - April 4, 2014, 6:22 am

Thank you man.:) Hope that you like it:P
