Thread: [Instagram bot get EASY likes and followers](#)

leener - April 4, 2014, 3:06 pm

Its not coded by me but i Paid 5\$ For it a While Back So i Though U Could Just Share It With You Guys!

[VIRUS SCAN](#)

[DOWNLOAD LINKK](#)

Enjoy????

Hustla - April 4, 2014, 3:12 pm

I'll download this once I see some vouches. Seems kind of sketchy.

allright :P ill try to get some if u dont trust it :O

pulzeultra2000 - April 4, 2014, 6:31 pm

Ill try this out, thanks for the share

Simply™ - April 4, 2014, 6:33 pm

You got scammed, dude. You can get this almost anywhere for free. \$5 isn't that much, but..

Programs works, not incredibly useful.. but credible ;)

xVSPACEVx - April 4, 2014, 6:39 pm

Posting Cracked Programs on this forum is not allowed, Sorry dude.

-??? - April 4, 2014, 6:42 pm

I can vouch for this, the program is not infected.

Enjoy, guys.

?Sharkisha - April 4, 2014, 6:57 pm

How do you even use this? A tutorial would be great.

-??? - April 4, 2014, 6:59 pm

(Apr 4, 2014 06:57 PM)?Sharkisha Wrote: [\[CITE\]](#) How do you even use this? A tutorial would be great.

Don't make me pull out the good old LMGTFY.

?Sharkisha - April 4, 2014, 7:15 pm

Lol, trust me I have been trying google, all results I have found are BS xD or give me same error to matter what, plus the client keeps asking me to get updated version.

Frosty M8 - April 4, 2014, 7:22 pm

Looks pretty nice. I'll give it a try. Thanks for this! :)

Blvck Scvle - April 4, 2014, 7:53 pm

I don't understand how you paid for this yet it says "cracked" on the top?

Hustla - April 4, 2014, 9:20 pm

Can your instagram account get banned by using this?

?Sharkisha - April 4, 2014, 9:25 pm

It doesn't even work, you get an error after you try and start it(Activate the bot to send likes/follows/comments)

leener - April 5, 2014, 2:51 am

(Apr 4, 2014 09:20 PM)Foreign Wrote: [\[CITE\]](#) Can your instagram account get banned by using this? no ive used it for while didnt get banned

(Apr 4, 2014 09:25 PM)?Sharkisha Wrote: [\[CITE\]](#) It doesn't even work, you get an error after you try and start it(Activate the bot to send likes/follows/comments)
try changin your password should work

(Apr 4, 2014 06:57 PM)?Sharkisha Wrote: [\[CITE\]](#) How do you even use this? A tutorial would be great.

just login with ur instagram and click start it has basic settings which are very good

smartcat - April 5, 2014, 3:44 am

i think this is infected with backdoors :(

ImJustSalty - April 5, 2014, 3:53 am

This is not infected with anything i do have this.

leener - April 5, 2014, 3:57 am

(Apr 5, 2014 03:44 AM)smartcat Wrote: [\[CITE\]](#) i think this is infected with backdoors :(
are u blind? they just said its not infected and theres an anti virus scan even u with ur 13 posts fuck off

BarsZ - April 5, 2014, 3:28 pm

did this actually work for anyone? just wanted to see it be verified before i considered downloading it.

??7??2? - April 5, 2014, 9:06 pm

(Apr 4, 2014 09:20 PM)Foreign Wrote: [\[CITE\]](#) Can your instagram account get banned by using this? 100%. Instagram has up'd their security since all the bots and stuff like this were around about a year ago.

zrne5 - October 12, 2018, 8:50 pm

thnx my guy i hope its what i dreamed of xD again thanks

Does it work?

(Oct 12, 2018 08:50 PM)zrne5 Wrote: [\[CITE\]](#) thnx my guy i hope its what i dreamed of xD again
thanks

Does it work??

alleged - January 8, 2019, 10:30 am

yeah i dont think this work at least i dont think it does

W3 S33 4LL - January 9, 2019, 1:30 pm

nigga why did u bring this shit back

Nomibh - January 9, 2019, 9:33 pm

so good i will try this thanx

worldofchel23 - January 10, 2019, 9:33 pm

i'd like to get something like this if someone credible could speak up :)

Silent-_-King - January 24, 2019, 8:28 pm

what languages did u use to write this or software?? please answer

LoveOverFear - January 24, 2019, 8:32 pm

Lmao... just get Jarvee XD

gadjooooo - February 1, 2019, 7:26 am

virus tootal link please bro !
