Hello my name is Ascendancy and I will be reviewing your eBook today. This review is strictly my opinion and in no way represents the success you may or may not have with this ebook.

Quality 9/10

One of the longest ebooks I have ever seen at just over 50 pages. There's a lot of content here.

Ease of Use 9/10

None of the methods are particularly difficult. And you do get a lot of things to try.

Layout 8/10

The layout is good. Clear sections defined for each method and easy to read.

Grammar 8/10

There are no major grammar errors that will keep you from understanding this book as far as I saw

Originality 7/10

There's so many methods, there's a good mix of things I've seen and things that are original. It's a lot of information

Overall 9/10

It's a really good value for how much you get. You get 50+ pages for the price of some 4 page ebooks

(Mar 16, 2014 12:43 PM)Tweeky Wrote: [\[CITE\]](#) Just got my first payment!

Really nice e-book man!

Earned \$42 in one day!

This ebook has even been used to buy a car by [LuckyJimmy](#) (Thread about car [here](#))

FAQ

Why is this ebook so expensive?

You pay for what you get. Quality comes with a price! This is no. Regular ebook.

Does this method work anywhere?

Of course! This method can be used in any part of the world!

Does this require an investment to use?

None at all! You start from zero!

Is this difficult or time consuming?

Easy as pie! It takes maybe 5-30 minutes a day!

How long will it take to setup?

It will take around 1 hour or two to set up

Will it be setup instantly?

Yes it will! You will not have to wait for anything to confirm etc.

Is this legal/moral?

There is in no way, anything bad or against the law in this ebook!
