I too also enjoyed the first episode. I'm a big fan for anime that is visually appealing, and this is one

of then.

Gonna be one of the few I will be keeping up with this season.

I've been waiting so long for this.

Just watched episode and 2 and the last part was awesome.

I think that maybe Miyuki and Tatsuya aren't related by blood.

SIM-1886671 - April 19, 2014, 10:17 am

Just watched episode 1-2! This anime is going to be good, must watch

Elweth - April 19, 2014, 10:48 am

I like this anime, the protagonist is smart, humble, and simply over-powered!

User 1 - April 21, 2014, 4:32 am

The light novel provides a better overview of the magic terminology.

Elweth - April 21, 2014, 8:15 am

TL;dr of anime so far.

-Sister loves brother.

-Protagonist is Over-Powered.

-Show goes around how people challenges Protagonist as his a weed, and then gets defeated and then impressed.

-Discrimination against weed by bloom, and Protagonist showing others how good he is.

Ryuujinx - April 21, 2014, 3:07 pm

This show is pretty good so far, definitely going to keep watching it.

?????? - April 27, 2014, 4:01 am

So just finished episode 4 a few minutes ago. The plot is getting better, and the politics is making things quite interesting.

Going to give it a try later. It does look promising :)

Latest episodes are just for build up or is the show going to carry on like this?:/

Raito_Bezarius - May 18, 2014, 10:40 am

Totally epic, I have read the LN, and it grows very very epic and mysterious.

Ryner - May 18, 2014, 11:10 am

I really thoroughly enjoy this Anime, it really hits me as a stunning and just completely awesome anime. I've started reading on some of the Manga + Lightnovels because I can't wait a week for the next episode. T_T

Well this is already in my top 10 list because this really, really suits my tastes.

Ignore - May 20, 2014, 5:26 am

I love this anime :) Very nice and I can't wait for the next episode ^^

Sasaki Haise - June 24, 2014, 8:13 pm

I'd like to say that I started watching this anime and it's amazing. Thought it was going to be a 12ish episode anime, but there's actually 26 so things can get real tense :x

cacnecac - June 24, 2014, 8:15 pm

I hope the action picks up soon and no more fillers, we've had like 2 filler type episode which made me snooze. I am glad its what 26 episodes?

I don't really have anything against the Fillers though, it just builds up the excitement for me. But if it takes too much time for stuff to actually happen I might lose a little interest.

It's a great anime and I really enjoy watching it. I'm also really happy over the fact that it's 26 episodes long and not just 12-13 like No Game no Life and Black Bullet.

I'm sorry its a decent anime, I wouldn't even come close to calling it best, unless you haven't seen much anime in the last 10 years.

I don't really have a favourite Anime or such but if I had to pick what I thought was best this season (excluding Hunter x Hunter) I'd probably go with Mahouka Koukou no Rettousei.

Bezo - June 24, 2014, 9:54 pm

Compared to the LN, the anime has disappointed me. Maybe I put my expectations too high but a lot of the important facts about CAD's and the spells being used were mostly skipped. Also, I felt that episode 11 was extremely rushed. None of the events were explained well and it seems like there was a new even ever 2 minutes -_-#. If Mahouka could start by including more facts and such, it would seem abit more realistic.

I think that in the specials, they included more details and facts on the CADs and spells, the anime although seems quite rushed though.

Chips Ahoy McCoy - June 24, 2014, 11:14 pm

This is just a guess on my part, I don't think they're actually brother and sister. I feel like he's keeping some secret from his "Sister." I'm not sure why but I just feel like they aren't related. atleast I hope they aren't. otherwise it'd be really akward. I'm really loving the show though! the fight scenes are pretty nice.

It's not that I do not like the other Animes it's just that I personally prefer Mahouka Koukou no Rettousei. I absolutely love No Game No Life and Black Bullet but they're only 12-13 episodes long, I like long Animes that are around 26 episodes or more.

My top 3 Animes this season would definitely be these:Mahouka Koukou no RettouseiNo Game no LifeBlack Bullet

This is just my personal preference, I enjoy watching a lot of things. And I must say that I am expecting a second season for both of those Animes that is why I am preferring Mahouka for now. But if anything I could say that No Game no Life is better than Mahouka but it's just that I like Mahouka by quite a lot. I've read into the Light Novel + Manga before the Anime came out etc so it just specified my interest.

cacnecac - June 24, 2014, 11:57 pm

I see, I am not dissing both of you I too like Mahouka just hopes it picks up. You should really pick back up mangaka-assistant though I'm so sad it ended but there are 3 ovas coming out the rest of the year to filled my void. That anime made laugh every damn episode.

It will be explained later on why Miyuki adores Tatsuya.

Spoiler [\(Click to View\)](#)

Miyuki was supposedly 'killed' by an attack from the Great Asian Alliance (War). She was shot on her side by an assault rifle when they were stuck in an underground bunker. Tatsuya used his ability 'Regrowth' to restore Miyuki's body to how it originally was before she was hurt.

Miyuki feels that her life no longer belongs to her but belongs to Tatsuya even though Tatsuya is supposed to server her.

She thinks that she was supposed to die when she was shot by the assault rifle but was given a chance to live again which was given by Tatsuya.

Miyuki now feels obligated to follow all of Tatsuya's orders as long as they are all within her ability.

I only watched the first episode. Haven't read the manga/LN but I fell in love with the anime on the spot

Dragon. - September 28, 2014, 2:45 pm

Well, it's finally over. If I were to pick a word to describe the ending, I would use "anti-climactic". I hated how episodes 25 and 26 were executed.

I won't say the series is the best, and that it lived up to its hype of being the "next SAO", but it was enjoyable nevertheless.

7/10 overall for the series.

Bezo - September 28, 2014, 3:03 pm

If I were to rate this show using the LN as a comparison, I would rate this a 4/10.
The adaptation was poorly done.

If I were to rate this as a stand alone anime, I would rate this 7.5/10.
This was very enjoyable, I can't deny that, but I do have to say that the last 2 arcs, the NSC and the Yoko arc were definitely rushed. Some scenes were pretty anti-climactic like what dragon said.

!Soul - September 29, 2014, 1:25 am

Well. With the anime done, and the season coming to a close, I'm sitting tight for all the new releases!

OT: I liked Tatsuya x Mayumi better than Tatsuya x Miyuki. Anyway, damn. I found the anime VERY enjoyable (I've never read the LN). The fan-service-ish scenes with Tatsuya and Miyuki kind of irritated me :|

Started watching Mahouka Koukou no Rettousei today and so far I'm really enjoying it. Only 4 episodes in right now.

I do have one major question I would like to ask:

Spoiler [\(Click to View\)](#) Is Miyuki and Tatsuya going to have sex or what?

Eh, that's way too long. I need to see some action right away.

I'm also really liking the president. Can't remember her name.

She really is, but I'm also liking Miyuki mainly because she has Ayase's voice from Oreimo. They're both the two best grills.

Mayumi*

Saegusa is her family name. The anime by itself is really good, I have to admit that.

I'm torn between MayumixTatsuya and MiyukixTatsuya.

Part of me really wants something like this to happen in reality.

Then you read the LNs and realize he is even more op than what has been shown in the anime.

I'd think more on the lines that he is the god that governs all planes of existence. I'd bow down to him anyday. :P

If possible I would really want someone to make me a bbgun model of Tatsuya's CAD and a custom made knife like the one that Mari has.

THE DREAM.

Really loving this anime right now. Tatsuya is a god. Hopefully I can finish the anime by tomorrow. Watched 15 episodes so far.

Seems rather interesting, been wanting to see something new and this definitely fits into that category.

Will watch the first episode and give back some feedback :p

I'm guessing there's going to be one. There's quite a bit they can do with it. I really enjoyed It too.

This Anime looks interesting. Definetly going to check it out!
