Mr. Nobody - April 6, 2014, 11:09 pm
I want a signature and avatar
Theme: Mr. Nobody
I would like it to say Mr. Nobody
I would like a quote underneath that. "everything could be anything else"
do what you like with it use your personal style I just want to see what you can make.

Sorry for taking so long! I was busy with personal stuff...

Here's what I've come up with since I posted (Let me know if there's anything you'd like changed):

Avatar:

Signature:

For the avatar I was trying to show the idea that there are many possible outcomes (like in the movie) by using different stylized fonts.

For the signature I took inspiration from the movie's cover.

Oh okay Yah I did not realize it was a movie, I'll work on another one when I get home ;)
