That's pretty awesome actually, I'm all for graphics such as this. It's pretty original, 9/10.

Is this going to be something you'll be investing a lot of time into?

Kavalix - April 7, 2014, 5:18 am

Okay, this reminds me of The Last of Us so much, I don't know why...

anyways, it looks pretty good, are you planning to actually make a series?

Pretty cool, looks kind of messy because of all the lines though. Keep it up OP 7/10.
