Thread: [Jump Start Earnings \[\\$9.99\] | Perfect for Beginners | \\$100 Daily | Accepting OMC](#)

~Jay~ - April 7, 2014, 8:23 am

[Now accepting OMC for payments! PM for details.]

Introduction

"Jump Start Earnings" is method that I have personally used to make a decent amount of money off. This ebook is written and priced with beginners to internet monetization in mind, but can still be useful to veteran users. This method is both simple and easy to use with almost no start-up time, you can start earning with this in less than ten minutes. Keep in mind that this is not a get rich quick scheme, you get back what you put into this method. If you don't put any effort in, you won't see any return. That being said, the effort required is very small. Best of all, this method requires no investing or additional purchases. All you need is a computer with a (preferably dedicated) graphics card and an internet connection.

What's in this ebook?

- Investing
- Gambling Scams
- Social Media
- Pay Per Download
- CPA
- PTC
- Blackhat
- Adfly

- A Simple and Easy To Use Method
- Clear Instruction and Explanation
- Unsaturated
- Quick Start Up
- Beginner Friendly

Vouches

Spoiler ([Click to View](#))

(Apr 7, 2014 09:21 AM)~HF~ Wrote: [\[CITE\]](#) Vouch for this ebook it's actually quite good!

Thee book is well written and setout with pictures.

The methods are semi-public but shows you a way to use them to make better money.

This evil is great for people who want to make \$10 a day with no effort and more than \$10 a day if you want to put more work into it :)

Vouch for a \$10 Ebook it's quite good 7.5/10

(Apr 7, 2014 09:49 AM)Wats?n Wrote: [\[CITE\]](#) I can leave a vouch for this eBook also.

The eBook is very detailed yet also explained in simple terms for beginners.

The grammar in the eBook is near perfect and there are no grammatical errors which will stop you from earning huge amounts with this eBook.

In terms of making money, you'll probably start out quite slow with this eBook. Don't expect \$100 daily straight away. I can imagine you getting around \$10 without any extreme work.

Like most eBooks - The more effort you put in the more you'll get. This eBook gives you the boost, you need to carry that boost to gain proper money!

Watson Rating: 7/10.

(Apr 7, 2014 10:21 AM)Reef ? Wrote: [\[CITE\]](#) Vouch For this method.

It is actually a pretty nifty method. It doesn't require much work. It is a method that may be known to

some but revised and flipped around completely it make it easier than ever with higher gains.
Goodluck with this method as it will make you a lot of money ?

(Apr 7, 2014 01:01 PM)PatPositron Wrote: [\[CITE\]](#) I am a member who received one of the vouch copies.

I can say that it is sort-of known, but not public.

That is the only thing that could be said 'bad' about this ebook.

I vouch wholely and completely, being in sane state of mind

(Apr 7, 2014 02:05 PM)Mr.Peanut Wrote: [\[CITE\]](#) This guy is awesome, buy his book, he's a legit user!

Big vouch, don't hesitate to buy this book. Most books in HF are simply garbage in my opinion..

(Apr 7, 2014 03:37 PM)Dark Temptation Wrote: [\[CITE\]](#) Vouch for this eBook. Its a semi-pubic method with a little twist of his own to it. I'd say buy this if you want to make extra money everyday doing basically nothing.

Proof of Payment

Spoiler [\(Click to View\)](#)

(Apr 7, 2014 05:39 PM)?rgyle Wrote: [\[CITE\]](#) I as well vouch for this E-Book.

Some people do not know about this method as it is not the typical monetization that most people know about.

I am half way done conducting the method and I will edit this post with some payment proofs in the future.

Vouch for Shyzotypal. Legitimate member.

~Jay~ - April 10, 2014, 6:41 pm

NOTICE: I've decided to start accepting OMC as payment for this ebook. PM me for details.

Porygon - April 11, 2014, 10:27 am

Doest it include PTC (probux & other) ???

~Jay~ - April 11, 2014, 10:33 am

(Apr 11, 2014 10:27 AM)Porygon Wrote: [\[CITE\]](#) Does it include PTC (probux & other) ???
Nope, this isn't a PTC ebook. I'll add that to the OP.

Porygon - April 11, 2014, 12:12 pm

How much OMC do you want ?????

:)

~Jay~ - April 11, 2014, 12:28 pm

(Apr 11, 2014 12:12 PM)Porygon Wrote: [\[CITE\]](#) How much OMC do you want ?????

:)

Well [this](#) is the best value I could find atm, which puts it at \$1:30 OMC. But because I don't want to see the value keep dropping and I want to support the currency, I'll trade at a rate of \$1:25 OMC.

So the pricing would be:

Basic: 250 OMC

Advanced: 375 OMC

Premium: 500 OMC

Address for payment is:

oe9qUb9DjumCzbPg1pGmei2n7iskcJ4X43

If you feel like this isn't fair, I could be tempted to adjust it.

Note for future reference, I'll change these prices as the value of OMC changes.
