There's a mobile app called Featurepoints

You can earn \$5+ easily here or get Gift Cards for Free, within 30mins or less if you have an IOS or Android device..

Just follow the steps and tricks for IOS/Apple/Android Device

Follow The Step Below To start Earning!

1. Go to <https://featurepoints.com/r/NG82R2> on your Apple Device or [url]

<http://featurepoints.com>[/url] for nonreferral link.

2. Install it to your device
3. For the Referral code Type in this Code NG82R2 (Helps you to get 50 points Bonus)
4. Download the apps!
5. Open apps and just browse around on them for about 30 or 40 Seconds
6. Go Back to Featurepoints
7. Delete the app you installed so it doesn't waste space on your device!
8. Rinse and repeat!

Rewards:

Paypal - \$5 = 3000points, \$10 = 6000 points etch.

Amazon gift cards - \$1 = 600 points

Itunes gift card - \$1 = 600 points

App store games - \$10 = 6000 points

Playstation Network - \$10 = 3000 points

Xbox Gift Code - \$10 = 6000 points

Now you are ready to start earning. They will pay you in points for every app you download. All of the apps are free that they have to offer. The more points you have the more you can exchange it for. Now here is the tip to getting more points. Spread you're referral code around on Social Media websites/forums/Rank Youtube videos. These are only a few ways

If you have a twitter account you have a gold mine. Literally. Get 50k followers or so, you can buy them from on forums. You can buy shoutouts, retweets and such to promote you're referral code.

Your referral code is the secret here. Every person you refer you will receive 50% of what points they have gotten. This will earn you money quickly and it will basically be an autopilot money making machine for you.

If you have any questions feel free to message me

If you Share this and let others know, it will help you get more referrals for your program

Enjoy :)
