SIM-1166170 - April 7, 2014, 8:49 pm

I have sent PM's to all replays on this thread still wearing the SIG.

After starting a contest with Phyber Jr. and recently getting into OMC mining, I want to share even more!

To earn a easy 20 OMC, wear my signature for 5 days! ?

I will check throughout the 5 days and if you aren't wearing it you wont get them!

the longer you wear the sig, the more OMC you will get!
?

How will this scale? I might be able to wear it for a few weeks because I don't use my space.

Every additional day will get you another 5 OMC, however will only go as long as the contest its linked to is open.
