Thread: [User PMing other users to neg rep another user](#)

Barefoot Contessa - April 9, 2014, 3:33 pm

I got this PM, out of the blue. I've never heard or seen of this member before. I'm pretty sure he's wanting ubers to -3 someone for him. Is this acceptable?

Mohatu - April 9, 2014, 3:33 pm

That's reputation abuse, forward the PM to a staff member.

No, this is stupid. I think the user himself should be negged for asking.

Yeah, I was looking at the staff page - who specifically? I was thinking Paradoxum?

Elegant - April 9, 2014, 4:06 pm

lol why is this random kid trying to get users to -rep me? This shouldn't be allowed here.

Shoppa - April 9, 2014, 4:06 pm

Forward the pm to omni so he can deal with it, don't create a thread tho.

It definitely isn't allowed, and I'd imagine the sender is going to log into a nice rep fuck.

Mercedes - April 9, 2014, 4:09 pm

Not allowed but still not that big of a deal. Could have just ignored it or you can tell on him.

Autopost - April 9, 2014, 4:10 pm

Skorp - April 9, 2014, 4:13 pm

Chrazy - April 9, 2014, 4:14 pm

This thread is gonna hurt him probably Lol. I imagine this happens a lot also.

It just seemed weird, why would you PM a stranger to fight your e-rep feelings battle?

Barefoot Contessa - April 9, 2014, 4:53 pm

Looks like this has been resolved, gonna lock it now. Thanks Omni.
