Thread: [\[Dropbox\] ThreadDesign #5](#)

Maldini - April 10, 2014, 7:59 am

Hey guys, I've been inactive for a while now and I really haven't got much time right now either, but I thought I might just share with you what I created today out of boredom.

I wouldn't let you down after all. :P

It's pretty basic, but I won't really edit it anymore.

If you want it just tell me wherever you want.

P.S.: I've added a poll, so tell me what you'd like next.
