What Are You Waiting For?

I hope to see some of you over at <http://tastyexploits.com> soon!

**TheUber** - April 11, 2014, 11:18 am

Theme looks like a rip of Yaldaram.com

Not much content too.

**AKET** - April 11, 2014, 1:46 pm

Theme is default XenForo style. The sites just started as I stated in the OP.

**?Chief Keef.** - April 11, 2014, 1:47 pm

hey! I would be interested in being a forum staff! :) I can contribute well to the forums. Thanks!

**Vexane** - April 11, 2014, 1:47 pm

Easily one of the ugliest looking forums out there.

Try making it complete before expecting people to join.
