what's going with the rate of omnicoin? its going too low every day

Nicodemon - April 11, 2014, 12:12 pm

yes i agree,it's unfortunate,but selling lower just isn't happening at the moment,maybe once the
award is out,and the exchange is up things might pick up,but for me atm i have bills to pay lol,rented
some rigs etc.
