Thread: [|| FREE || Poly Thread Design by me](#)

?rtist - April 12, 2014, 2:05 pm

Me Drunk + Photoshop + Polygons = Free Thread Design

Prolly not the most UBER OMEGA thing ever seen but I like it so yeah, here ya go

—

PS: If you want custom made Thread Designs like this one, then PM me.

liam1uk - April 12, 2014, 2:10 pm

That is one cool free thread design template :)

Thanks for sharing this man :)

No problemo. Now ima go get drunk-er. Laters

Make sure to leave a thanks guys if you like it.

I even color coded and labeled everything in the PSD. If there are typos then..sorry...i'm drunk

you could just download it, its like 9MB and the PSD will stay on your PC in case anything goes down

Finearts - April 22, 2014, 5:44 pm

I love the thread design, I might be using this for my upcoming service.

Google Chrome - February 10, 2015, 10:23 pm

I'm asking if there is a signature type of this? Thank you..

razor1337 - February 11, 2015, 2:57 pm

Looks awesome, thank you very much :)

Zivex - February 12, 2015, 12:39 pm

I really like the look of this thread design. Thanks for this!
