Thread: [I make YouTube videos and music, check me out.](#)

Smex - April 13, 2014, 11:18 am

I have a pretty unique style and most of you will not see and hear what you were expecting. For those who have a imagination would really enjoy my YouTube so check me out. I spend a lot of time on these videos and dergs inspire me.

Here's a clip to spark some ingress in your life.
