Hey Hackforums, this is a GPT site, Get-Paid-To site, meaning you get paid to do multiple stuff. Which include surfing the web, using coupons, or even do surveys, play games, or just do offers!

I am currently at 18.00 on the site, and i do nothing really bout read emails and get paid for it :D

So if you are interested check it out!

They pay after 30 dollars is in your balance. They pay via

Visa Pre Paid Card

Cheque
