Thread: [Twitch Services - Actually the fastest and the cheapest \\$0.50 per 100k views](#)

Abe Washington - April 13, 2014, 5:14 pm

So, I'm going to keep this simple. I am doing live viewers or channels views. Probably the cheapest here. Thread Design will soon be in place

2k Live Viewers = \$5.00/hour [100 OMC]

4k Live Viewers = \$8.50/hour [170 OMC]

5k Live Viewers = \$10.00/hour [200 OMC]

Every 100k channel views = \$0.50!

Want a sample? Sure why not. Just PM me or add me on skype: twitch.services

Feel free to ask for a PM verification before dealing with me. I will do this same if you add me on Skype.

No, not at the moment. I won't until I do it myself and make sure it works. So I'm not going to promise anything until I know I can do it.

If you're interested in buying bulk I'd be more than happy to provide a discount, just PM me to arrange things.
