Thread: [Free Twitch.tv Live Viewers! Boost Your Stream! 500+ Live Viewers + With Proof](#)

Gummy Bear - April 13, 2014, 9:13 pm

I would like to note that the program I'm using is made by [Matrixx](#) You can't get this program yet but you will be able to buy it soon.

Rules:

L33t or Ub3r

50+ Posts

Must be streaming live

Positive Rep

Also, you will get probably a random amount of viewers watching also this is mainly to test proxy's and such I will be botting each channel for about 10 mins. It will be a random amount I'm basically just testing.

Just post your channel down below and I will bot it.

I will be on for about 5 more hours, so if you stream within that time tell me.

Also,

Anyone want this? I thought alot more people would like this.

How much of your PC's resources does the program use?

ohSmexeh - April 16, 2014, 11:04 am

seems interesting, im definitely interested!

If you could do it again for me, only like 500-700 that would be great as I would be #1 on Wildstar today :)
