Haha nice job op keep it up. Find a niche and stay with it till it dries up. I have a current niche that i'd be willing to sell to somebody for a small price. I'm making around 80\$ per day for 2 hours of work.

I am curious about the title. If you are making bank off of Peadophiles... what the hell are you sending/showing them ?

i?irXa™ - April 15, 2014, 5:27 pm

You get a picture of a borderline girl and say she's 15-17 and the pedos buy it:P

CONN3X10N - April 15, 2014, 5:28 pm

enimenwtf - April 15, 2014, 10:30 pm

Couldn't agree more. Whatever about the morals of e-whoring in general. Underage stuff ridiculously stupid and downright wrong.

If it's a girl that's actually over 18 and looks under age then it's all good, which is what most people do.
