Thread: [\[HOT LoL Acc\] EUW Lvl 21 Acc For Sale With Extras](#)

SpriteXx - April 17, 2014, 11:59 am

I Have an LoL account thats summoner level 21 On EUW server.
The account has a 100 Riot Points Balance Available And 772 Influence Points.
Included Is Premium Skins For Master Yi And Fiora.
Characters unlocked are: Alistar, Fiora, Darius, Ashe, Garen, Master Yi And Vi.
Account Also Has 29 Contacts in the chat.

My asking price is \$20 for this, willing to go a tiny bit lower, but thats it.
Strictly payments via Paypal as GIFT to avoid charge backs.

Also take a look at my threads, and view my PREMIUM ACCOUNT SHOP thread if you are interested in buying more accounts :)

Interested? post on this thread or PM me your skype

Edit- Oh and here's Proof:

I actually dont think someone will buy this account for 20\$, sorry but people sell better accounts for like 5\$ here honestly.. :) Butt butt glws!

\$5 is too less for a LoL account, minimum i'd accept is \$14. cheaper and quicker than getting someone to quick level your own account.
