Thread: [Gmail&Hotmail Account Hacking Service - You Name The Price!](#)

~OMC~ - April 19, 2014, 12:25 am

Hey guys I'm offering my Gmail and Hotmail account hacking service.
I can hack most accounts. I'd like to say all, but who knows for definite.

Of course I will show all proof of me having the account once hacked, but I will not go first.

Price:
Negotiable, totally depends. But don't lowball.

I accept:
PayPal
Bitcoin

PER REQUEST:
My prices range around \$60-\$150. Depends, like I said.
Let me know if you want my Skype.

Im interested shoot me a pm with some proof. Can you do a vouch email? I will pay for more if legit.

~OMC~ - April 19, 2014, 12:32 am

I have private messaged you regarding this, Guessive.
Thank you for taking interest.

Crake - April 19, 2014, 12:34 am

What's the ballpark you're looking for?

~OMC~ - April 19, 2014, 12:36 am

I take offers around \$50.
It may seem a lot, but think of the potential if you acquire the right sort of email.

Crake - April 19, 2014, 12:36 am

That's somewhat reasonable, but you won't get that from HF members. Most jump at a dime. Best of luck though.

Scrandy - April 19, 2014, 12:37 am

Are you also able to hack yahoos potentially, albeit a lower success rate?

~OMC~ - April 19, 2014, 12:37 am

I'm selling my services for around \$200 elsewhere, HF users should consider themselves lucky.

They're rather easy, it's just they're not requested often so I kept it out the OP.

Scrandy - April 19, 2014, 12:39 am

Genicus - April 19, 2014, 12:40 am
