Thread: [\[SQLI\]\[EDU\]\[GOV\]My pastebin with multiple vulnerable websites\[DUMPS\]\[DORKS\]\[INTRANET\]](#)

Abdilo - April 19, 2014, 7:24 am

Pastebin closed no more pastes ?

WACKO - April 19, 2014, 7:32 am

Wow, I've never seen that PayPal exploit before. Thanks for the share.

XBatt - April 19, 2014, 12:43 pm

1998 called, they want their PayPal "exploit" back.
