1v1 Gamebattles fake proof guide

I am going to make this short and simple;this guide you teach you how to make fake video and photo proof for call of duty games.

Price: \$9.99 only selling 10 copies

This guide has allowed me to win every dispute. I guarantee you that you will get the win!

Buy it now here: <https://selfy.com/p/0ixD/>

thanks, I will be offering one vouch copy for this method

?Illuminati - April 21, 2014, 11:38 am

still selling this ebook, get it while you can because only selling limited copies

Xbox One - April 21, 2014, 1:35 pm

Are you still giving out a vouch copy I would be interested in it

since you are the only one to ask, I will let you review it for the only vouch im giving for this method

Xbox One - April 21, 2014, 4:54 pm

This method would work, but with cmrs it's always a gamble even with 100% crystal clear video proof of the entire map. But done correctly you should get the wins.
