(Apr 18, 2014 11:56 PM)?Doge Wrote: [\[CITE\]](#) First Impression
8/10

When I had downloaded the ebook and opened it, there was a few amount of pages which seemed to be a very nice surprise and with a clean layout.

Originality

9/10

I have honestly never in my life heard of this method before.

Ease Of Use

9/10

If you can't follow this method then I don't know what's up with you, This is a simple method to grasp and easy to follow but when on autopilot watch the money roll in

Design

8/10

This is so colourful stuff in the ebook, colour coded so easy to follow and separated via colour so you won't get confused.

Overall

9/10

This isn't a method that is saturated, never heard before but will take under 30 minutes to get setup, once that phase is done there are so many ways to take it from there to earn ALOT of money, its simple but amazingly effective. The book it self is short and snappy (not one of those 20 pages of ebooks that end up saturated.).

(Apr 18, 2014 10:19 AM)Erwin Schrödinger Wrote: [\[CITE\]](#) I recived a vouch copy of this E-book and this is my review:

First Imprssion

8/10

When I first opened the E-book I was met with a few, detailed pages that looked very nice.

Originality

10/10

I have never seen this method before.

Ease of use

8/10

This method requires a little setup, but when you're first up and running it's pretty much AutoPilot Design

9/10

This is one sexy looking E-book. Bursting with colour and happiness!

Overall

9/10

This method requires abit setup, but when you're done setting everything up you're done. The setup will take around 20-30 minutes maximum. The ebook is short and easy to understand and read. It looks really nice too.

Erwin Approves!.

(Apr 18, 2014 09:33 AM)loader140 Wrote: [\[CITE\]](#) Legit seller, HUGE vouch great guy, BRILL.

(Apr 18, 2014 09:24 AM)???Senpai Wrote: [\[CITE\]](#) I vouch for this e-book.

i've read the e-book and the method seems legit. I will definitely try this out.

Best regards,

Senpai ?.

Timo - April 22, 2014, 10:15 pm

The grammar in the thread is horrible.

Lets hope its not the same for the ebook.

I can do a review if you want?

Also, you really need to recheck the thread.

I see what you are doing, and the thread doesn't look bad, but there are a few errors in it:

<https://gyazo.com/62bbfad578e1a4bd95ca09c563fbb32b>

<https://gyazo.com/d32f3f0e1ce9d436a2d35c49af915067>

Fix that and the grammar, and your thread will look a whole lot more trustable.

i'll get to fixing right now. i have dyslexia so that's my main problem. but i had someone read over the ebook and he said it was fine. i will ask think about taken up your offer.

i think i for most of the errors thanks man! ill pm you right now

ExplosiveWhale10 - April 22, 2014, 11:21 pm

I will considering buying this ebook in the future.

Nandhugp - April 23, 2014, 3:28 am

Actually what will this eBook do?Is it any spreading method.

Dave Skylark - April 23, 2014, 3:48 am

Does this requiere investment? In how much time do I earn my first 42\$?

Thanks

Galileo Galilei - April 23, 2014, 4:16 am

(Apr 23, 2014 03:48 AM)iAmAnonymous? Wrote: [\[CITE\]](#) Does this requiere investment? In how much time do I earn my first 42\$?

Thanks

The time that it takes to earn your first \$42 all depends on how many views you get. to get \$42+ ever 25k you many need to now a little about flash or java or hmtl 5. but if you don't theres nothing to worry about you still can earn money easily.

(Apr 23, 2014 03:28 AM)Nandhugp Wrote: [\[CITE\]](#) Actually what will this eBook do?Is it any spreading method.

Its a method on how to set up to make the money, how to more of that money and also how to get views.

(Apr 22, 2014 11:21 PM)ExplosiveWhale10 Wrote: [\[CITE\]](#) I will considering buying this ebook in the future.

trust me it will be worth the money.

Timo - April 23, 2014, 8:04 am

I recieved a review copy of this ebook.

This is my HONEST review.

Orginality: 10/10

Im gonna be honest, i never saw this method before, its complete new to me.

I even googled the method, to see if i could find something thats close to this, but again, no results at all.

Setup time: 4/10

This might take a while to setup, you also need HTML, Javascript, or unity knowledge, something OP didn't mention in the thread.

This is very important in this ebook, and i wouldn't recomend you to buy this ebook if you dont have any knowledge at all about one of these 3.

Quality: 6/10

I would get how this would work out, its possible, but luck is also a factor if you don't have alot of time/tools on your hand.

The method would work, but like i said, you need to put time in it.

It would pay out tho if you have any of the above listed skills and time

Layout: 7/10

OP tried to do hes best on the layout, althought i would recomend OP to keep the font a specific size.

This doesn't really bother me, because you can clearly read everything.

Grammar: 5/10

Like i pointed out before, grammar isn't OP's strongest point.

You can read everything perfectly fine tho, but theres a whole bunch of grammar errors (and im not good with english grammar at all.

Overall: 6/10

The method would work out, but you need some skills that OP didn't mention.

This was my honest review, GLWS!

Just going to point out that a few things here:

1. If you chose there could be next to 0 set up time. you just need a empty SWF, FLash, Unity3d or HTML file. But in saying that it can greatly help get you more views if you know a little about these. so the set up time can be next to nothing. and if you already have one of these files your already set.
2. the font was kept on size 14 apart from 2 parts with less text so i made it larger to look nicer.
3. I've updated the grammar in the eBook just then.
4. i've added way more stuff to help people with less knowledge of these type of files making even less effort to make a file. with file converters and other helpful tools
5. this user then tryed me to get to buy his ebook because he said its not worth selling ebooks. logic.

I HAVE FULL UPDATED THE EBOOK! ALL QUESTIONS PEOPLE HAVE ASK HAVE BEEN COVERED IN EBOOK (if it wasn't coverd before) ! EVERYTHING YOU WILL NEED IS NOW IN THERE AND ALLOWS YOU TO SET UP IN 2 SECONDS!

Raft - April 23, 2014, 9:04 am

Will look into this, just saying.

I'm going to hit you with a vouch for now, you seem like a nice guy. Goodluck man!

(I will come back I'm interested)

AgitatedLlama - April 23, 2014, 10:18 pm

Really easy method and I love it :D

What bs? The last part wasn't directed at you but informing other members. Also stop making up
Crap about how this method doesn't work because I know it does and I use it, just because you
want to sell your ebook. Read the title it says make up to 42\$ ever 25k views in which you refuse to
believe and refuses to lission when I try and help you. This ebook contains 2 methods and your
completely ingnoring the way easier one.

Also dude don't get me wrong I'm very thankful that you gave your time for the review because of it
I was able to greatly improved the ebook.

Nigga From Africa - April 25, 2014, 4:56 am

Huge vouch for this ebook.

This can actually quickly make your money back if you know what you are doing.

btw 600 posts yeeey
