Mac Miller, Odd Future, Me , Keef and other rappers think he is a very talented artist.

Hacked88939949 - April 23, 2014, 12:37 am

I don't know but I try not to judge music even if it is trash like this cause people hate chief keef even though they fail to see his extreme creative side. He is in control of his persona more than people give him credit for.
