Thread: [Scam report 25 USD \[uid=1723524\] Rawr. 25 USD](#)

Casads - April 23, 2014, 10:57 am

Hey everyone so here's the story , i was scammed by this user

<https://hackforums.net/member.php?action=profile&uid=1723524>

Sales thread: [Click here](#)

I bought a league of legends account and didn't receive the login information

Proof of his account

<https://gyazo.com/8ddd92911c76654c4fb53e9afd260e5e>

Proof of payment:

<https://gyazo.com/a7caf6172d74a7a3cb402381e3e1b12b>

Proof of his paypal: <https://gyazo.com/cb1edb5e8eb13a611d38d0c67ed8b227>

Proof of him not giving me the account:

<https://gyazo.com/ff9dec7a59848a1527889fb93bc54a24>

(He also tried to spend money instantly without giving me the account information)

Proof of him ignoring me:

<https://gyazo.com/ce60dc945105efed3f3553711128674a>

PS: I changed my skype Name in the of making the deal: I made it nothing and it looks like He's talking to himself xD

i have seen all the details over team viewer so i can verify that this is a legitimate scam report

Gilfoyle - April 24, 2014, 9:16 pm

Vouch for this scam report checked everything over. Looks pretty legit. Hope this gets solved. :D <3

suspiciousmacaroni - April 24, 2014, 9:20 pm

definitely not fake, i can vouch for this scam report. id like the highest consequential action carried out to the scammer because personally, I dont think someone like that should be representing the sales community in hackforums at all.

hope it gets solved
