Thread: [Could somebody help me with a JDB or a Silent- JDB](#)

No Honor - April 24, 2014, 8:33 am

I really want to make a java drive by, or S-JDB.

I had a buddy make me one from the past, but ended up Ratting me instead :/

I could do some type of payment for helping me aswell.

Please comment or message me ASAP!

Thank You <3

Somebody please help? I would love some help in advance, and will be able to pay if somebody could help!
