Thread: [Clannad:After Story - How much did you cry?](#)

Chips Ahoy McCoy - April 27, 2014, 6:51 pm

Me personally: My shirt was wet with tears from wiping my eyes, bloodshot eyes, tears running down face, etc.

cacnecac - April 27, 2014, 8:08 pm

Pretty emotional, tons of tears along with it. I've seen alot of people who hated it lol.. not sure why some people just heartless I guess.

Pretty sad.

I was tearing up to the point where I was like crying at the end.

Next to clannad after story would be angel beats...

Angel beats didn't come close... i felt it had quite a bit of loophole and was rushed, Angel beats needed more episode maybe even a second season.

I was crying for like a whole week. I still cry listening to the soundtracks and all. For me Clannad is life. Every time I day dream in class I always hear the song in my head. I also listen to the soundtrack every time I go to sleep and I cry in my sleep remembering Clannad.

Ormr - April 27, 2014, 11:24 pm

I didn't cry one bit, seeing as I dropped it around episode 7.

However, I can't listen to Dango without starting to cry.

(I've also had the ending and stuff spoiled, by my own will, and I quite honestly have no desire to put myself through that kind of stuff. So I'm not picking it up again, lel.)

Mhm, the ending wasn't that bad and i didn't cry that much either :P

I mostly love the story, even Season 1 :)

Nathann22 - April 28, 2014, 12:56 pm

I didn't actually cry at all, just got sad and felt like I was gonna cry.

I still play the Clannad VN about once a month.

The part that really got me was when ushio said this.

(Don't open spoiler if you haven't seen it. it obviously contains spoilers.)

Spoiler [\(Click to View\)](#) But that's the one you got for me.. that's the first time.. daddy.

Spoiler [\(Click to View\)](#) Sanai said that the places i can cry are the bathroom.. and in daddys arms..

Episode 18 rips your heart out.. i swear..

I almost started crying when I saw this thread. It was a really good anime, I still have to play the VN.

Sutorimu - May 1, 2014, 7:52 am

I cried more than what you pee after drinking 100L of water.
